Pool B

Notes:

- During pool play, each team will play the other team in their pool once. Once pool play is over, there will be a cross bracket game for each team to determine final placing.
 - i.e. The winner of Pool A will play the winner of Pool B for the overall championship.
- In addition to their cross-bracket game, Casady will also play the #4 finisher from Pool A in an additional cross-bracket game.
- Ties in pool play will be broken as follows:
 - Head to head match up
 - Point differential (max of 20 points per game)
 - Defensive points allowed
 - Offensive points scored
 - Coin flip
- If three or more teams are tied, we'll go through the above process until one team is determined to "win" the tie break. Then we'll start back at the top with the remaining teams until a team is declared the "winner" in the tie breaker, and so on until all ties are broken.
